

# A Skylit Drive, According To Columbus

Save me  
The skin that stretched across your bones  
The scent that lacks the innocents I know  
Cold front coming, like blisters threw your pores  
Breathing you'll trust me darling  
In the sword inside your stone

The rest of your life  
May rest in my eyes

Meet me at the skylines  
I'll wait for you to go  
I'll wait for you to go  
Meet me at the skylines  
I'll wait for you to go  
I'll wait for you

Save me  
The skin that stretched across your bones  
The scent that lacks the innocents I know  
Cold front coming, like blisters threw your pores  
Breathing you'll trust me darling  
In the sword inside your stone

The rest of your life  
May rest in my eyes

Meet me at the skylines  
I'll wait for you to go  
I'll wait for you to go  
Meet me at the skylines  
I'll wait for you to go  
I'll wait for you

Meet me at the skylines  
I'll wait for you  
Meet me at the skylines  
Meet me meet me  
Meet me at the skylines  
Meet me at the skylines  
I'll wait for you

I don't think you know  
What these words mean  
I don't think you know  
What we could be  
I'll wait forever cause I think you're the one.
