A Skylit Drive, See You Around

What if you could go back? What if you could go back? Erase me I'm a figment of imagination I know you can hear me I know you can see me breathing That place where I knew that I could find you I think I'll make a run for it And if I don't find you there I'll search forever I don't see you upside down I'm outside of my body Oh my, why are you inside out? That place where I knew that I could find you I think I'll make a run for it And if I don't find you there I'll search forever And if I don't see you there I'll see you around
