

A Static Lullaby, Let Go

Drink up baby down
Are you in or are you out?
Leave your things behind
'Cause it's all going off without you
Excuse me
Too busy
You're writing your tragedy
These mishaps
You bubble-wrap when
You've no idea who you're like

Let go

So let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown
Let go
So let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

It gains the more it gives
And then it fanasies with the poor
So honey back for more
Now can't you see that all that stuff's essential?
Such boundless
Pleasure, we've no time for later now
You can't await
You roll your eyes means
You've twenty seconds to comply

Let go

So let go
An then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown
Let go
So let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

In ya head
Ya head
In ya head
Ya head

Drink up baby down
Are you in or are you out?
You can't wait
You roll your eyes
Twenty second to comply

So let go
And then jump in
And oh, it's so amazing here
And it's alright

Because there's beauty in the breakdown

Let go
So let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

Let go

So let go
And then jump in
Oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown
Let go
So let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown
