

# A\*Teens, For All That I Am

I'm sorry, made you feel sorry  
Last night, I came home too late  
And you were there waiting  
I know, it's easy to call  
I guess I wasn't thinking of you  
It's not that I don't care  
You should know me better by now  
I am sorry if I made you lonely and sad  
I am sorry I made you feel bad  
What I'm trying to say  
I'm not always that way  
So, love me for all that I am  
I know  
(I know)  
I often forget  
To say that I love you  
(That I love you)  
And yes  
(And yes)  
I truly regret  
The times that I might have hurt you that way  
It's not that I don't care  
You should know me better by now

I am sorry if I made you lonely and sad  
I am sorry I made you feel bad  
What I'm trying to say  
I'm not always that way  
So, love me for all that I am  
True, I may defend the things I do  
Though I know deep down I've done wrong  
But when the heat comes down, it's you  
(It's you)  
That keeps me going on  
For all that I am  
I'm sorry, made you feel sorry  
Trying to say that I'm not always that way  
Love me for all  
I am sorry if I made you lonely and sad  
I am sorry I made you feel bad  
What I'm trying to say  
I'm not always that way  
So love me for all that I am  
(For all that I am)  
That I am  
(For all that I am)
