

# A-Teens, Give It Up

A-Teens  
Miscellaneous  
Give It Up

A Teens are back to give the right type of feelings  
To make you dance to make your happiness grow  
We'll never stop the music we're never leaving  
Until you got it right and no one feels low

Cuz what you need is what you get (yea yea yea)  
So let it loose  
You better go crazy

Give it up give it up give it up now  
There's something you can do  
Put a smile on your face and that's how  
You're gonna make it  
Give it up give it up give it up now  
There's something you can do  
To the left to the right spin around now  
That's how we do it

Can you feel the ground is shaking voices are calling  
For you to move your body for us to give the groove (yea yea)  
Nothing can stop us now you don't have to worry  
We give it all to you and that's what we do (yea)

Cuz what we need is what we get  
You're loose  
Just keep on going crazy

Give it up give it up give it up now  
There's something you can do  
Put a smile on your face and that's how  
You're gonna make it  
Give it up give it up give it up now  
There's something you can do  
To the left to the right spin around now  
That's how we do it

Do this yea do that yea everybody come on do it phat (yea)  
Move it yea prove it yea that you can do it like this yea  
Do this yea do that yea everybody come on do it phat (yea)  
Move it yea prove it yea that you can do it like this yea
