

A*Teens, I Promised Myself

I promised myself
I promised I'd wait for you
In the midnight hour
I know you will shine on through
I promised myself
I promised the world to you
I gave you flowers
You made my dreams come true

How many of us out there
Feel the need
To run and look for shelter

I promised myself
That I'd say a prayer for you
A brand new tomorrow
Where all your wish comes true
I promised myself (I promise, I promise)
That I'd make it up to you
My sister and brother
Know I'm in love with you

How many of us out there
Feel the pain
Of losing what was once there
God, I know
The people say about her
No mistake
Who can live without her

I promised myself

(I promise, I promise)

In the midnight hour
I will wait for you
I will wait for you (I will wait for you)
I will wait for you (I will wait for you)
In the midnight hour
I will wait for you
I will wait for you (I will wait for you)
I will wait for you (I will wait for you)

I promised myself
I promised I'd wait for you
In the midnight hour
I know you will shine on through
I promised myself
I promised the world to you
I gave you flowers
You made my dreams come true
