I Wish It Could Be Christmas Everyday

He's put a great big smile on somebody's face

If you jump into your bed

Quickly cover up your head

Don't you lock the doors

You know that sweet Santa Claus in on the way

[Chorus]

Well I wish it could be Christmas every day

When the kids start singing and the band begins to play

Oh I wish it could be Christmas every day

So let the bells ring out for Christmas

When we're skating in the park

If the snow cloud makes it dark

Then your rosy cheek's gonna light my merry way

Now the frosty paws appear

And they've frozen up my ear

So we'll lie by the fire

'Til the sleet simply knocks 'em all away

[Chorus]

When the snowman brings the snow (snowman brings the snow)

Well he just might like to know (just might like to know)

He's put a great big smile on somebody's face

So if Santa brings that sleigh (Santa brings that sleigh)

All along the Milky Way (along the Milky Way)

I'll sign my name on the rooftop in the snow

Then he may decide to stay

[Chorus]

Why don't you give your love for Christmas?
