I Wish It Could Be Christmas Everyday

When the snowman brings the snow  
Well he just might like to know  
He's put a great big smile on somebody's face  
If you jump into your bed  
Quickly cover up your head  
Don't you lock the doors  
You know that sweet Santa Claus in on the way

[Chorus]  
Well I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh I wish it could be Christmas every day  
So let the bells ring out for Christmas

When we're skating in the park  
If the snow cloud makes it dark  
Then your rosy cheek's gonna light my merry way  
Now the frosty paws appear  
And they've frozen up my ear  
So we'll lie by the fire  
'Til the sleet simply knocks 'em all away

[Chorus]  
When the snowman brings the snow (snowman brings the snow)  
Well he just might like to know (just might like to know)  
He's put a great big smile on somebody's face  
So if Santa brings that sleigh (Santa brings that sleigh)  
All along the Milky Way (along the Milky Way)  
I'll sign my name on the rooftop in the snow  
Then he may decide to stay

[Chorus]  
Why don't you give your love for Christmas?
