## A-Teens, Let Your Heart Do All The Talking

A-Teens New Arrival Let Your Heart Do All The Talking Whoo Lovin' your smile Lovin' your style Don't you get it? Got what I need You gotta believe I'm already yours Let your heart do all the talking (hoo!) Give it a shot Give what ya got Take me flyin' Give me your lips Give me the kiss I've been dyin' for Let your heart do all the talking

Take my hand Understand That dreams can come true

[CHORUS] And all you gotta do Is to go, is to flow With emotion, you Gotta know, gotta show, The devotion I just wanna be close to you (in the sunshine) Wherever the sun shines (in the rain) Wherever you go Let your heart do all the talking

You're makin' a mistake You're makin' me shake With desire Don't need a break Don't wanna wait 'Til the fires gone Let your heart do all the talking Get in the game Get in the game Get in the zone Get in the action There's really no shame in letting me know that I'm the one (yeah) Let your heart do all the talking

Take my hand Understand That dreams can come true

[CHORUS]

Let your heart do all the talking [x2]

Now finish what you've started Because you brought it There ain't no better time Don't be so chicken-hearted If you want it Lay down the line [CHORUS x2]
