

A Teens, Schools Out

Well we got no choice
All the girls and boys
Making all that noise
Cuz theyve found new toys
We cant salute ya,
Cant find a flag
If that dont suit ya
Thats a drag
Schools out for summer
Schools out forever
Im bored to pieces
Well we got no class
And we got no principles
And we got no intelligence
We cant even think of a word that rymes
Well we cant salute ya,
Cant find a flag
If that dont suit ya
Thats a drag
Schools out for summer
Schools out forever
Im bored to pieces
No more pencils
No more books
No more teachers
Dirty looks
Out for summer
Out til fall
We might not come
Back at all
Schools out for summer
(Detention!)
Schools out forever
Schools out with fever
Schools out completely
Schools out for summer
