A-Teens, Slammin' kind a love

A-TEENS Miscellaneous Slammin' kind a love The days that I've spent apart from you Have been really hard for me I wanted to be so close to you And to live my fantasy Now you've got me climbing on the walls I can't wait to put down my books and run to you And now I'm just waiting for your call Let's go driving down by the sea tonight, baby Cause all that I've got I wanna give you Over and over again Baby I am down With the games you wanna play You have got me going now In every single way I know you can give me The things I'm dreaming of You and me baby we've got A slammin' kind of love

The way that you're moving to the beat It's impossible to not look at you, baby I wanna stay closer to your heat There's a fire burning inside my body girl And all that I've got I wanna give you Over and over again Baby I am down With the games you wanna play You have got me going now In every single way I know you can give me The things I'm dreaming of You and me baby we've got A slammin' kind of love I will give you the world give you the world Give you the world, give you all my loving Baby, baby let me give my love to you I will give you the world give you the world Give you the world, give you all my loving
