## A\*Teens, Upside Down

Upside down Upside down Upside down My grades are down from A's to D's I'm way behind in history I've lost myself in fantasies Of you and me together I don't know why but dreaming's all I do I won't get by on mere imagination Upside down, bouncing off the ceiling Inside out, stranger to this feeling Got no clue what I should do I go crazy, if I can't get next to you, to you My teacher says to concentrate So what? His name was Peter the Great Kings and Queens will have to wait 'Cuz I don't have forever I wish that I could walk right up to you Each time I try the same old hesitation Upside down, bouncing off the ceiling Inside out, stranger to this feeling Got no clue what I should do I go crazy, if I can't get next to you, to you Somehow, someday You will love me too One day will be the day When all my dreams come true Upside down, yeah, yeah, yeah, yeah Upside down, bouncing off the ceiling Inside out, stranger to this feeling Got no clue what I should do I go crazy, if I can't get next to you Upside down, bouncing off the ceiling Inside out, stranger to this feeling Got no clue what I should do I go crazy, if I can't get next to you I go crazy, if I can't get next to I go crazy, if I can't get next to I go crazy, if I can't get next to you
