

# A Thorn For Every Heart, Worthless

There are times in our lives  
When we just cannot compromise  
Can't take advice  
But can deny  
All of the things wrong in our lives  
Need a reason for a new dream  
When it seems like dawn won't come  
Search for answers within the darkness  
When it seems that there are none  
I'm not coming home  
There's nothing left there at all  
Now I take this on my own  
(We're part)  
Of the bridges that we've crossed  
(Forget)  
All the loved ones that we've lost  
(Scream out)  
Till your lungs fill up with blood  
Shut up and wait for the breakdown  
Eyes closed  
But what's the big deal?  
Now darkness swallows me alive  
Don't know what's the matter  
Who cares cause it doesn't seem to matter now  
I'm not coming home  
(We are worthless we are lost)  
There's nothing left there at all  
Now I take this on my own  
(We are reckless, we are young)  
(We're part)  
Of the bridges that we've crossed  
(Forget)  
Of the loved ones that we've lost  
(Scream out)  
Till your lungs fill up with blood  
Shut up and wait for the breakdown  
(We're part)  
Of the bridges that we've crossed  
(Forget)  
Of the loved ones that we've lost  
(Scream out)  
Till your lungs fill up with blood  
Shut up and wait for the breakdown, now  
If I can't sleep tonight,  
I'm gonna have to toss and turn  
And go wandering through my mind  
For everything I'll never find  
And now I'm somewhere in between  
Safe from the obscene  
And I just want to make you all believe  
We are worthless, we are numb  
We are reckless, we are young  
We are everything you aren't  
We are worthless, we are lost
