

# A Tribe Called Quest, Find A Way

Chorus:

Now you caught my heart for the evening  
Kissed my cheek, moved in you confused things  
Should I just sit out or come harder  
Help me find my way

Messin' me up, my whole head  
Teasing me, just like Tisha did Martin  
Now look, at what you starting  
School boy crush, and it ain't on the hush  
The whole world, see it, but you can't  
My people's they complain, sittin' rave and rant  
Your name is out my mouth like a ancient chant  
Got me like a dog as I pause and pant

Speaking of which, got a leash and a wish, just to rock you miss  
Make a militant move, peep my strategy  
End of the day you're not mad at me  
Not dealing with nobody now, that's what you told me  
I said hey yo it's cool, we could just be friendly  
Cause yo, picture me messin it up  
Her mind I corrupt with the ill C-cups  
Shiiit, I'm on my day off  
Bullshittin, hopin' that the day go slow  
Got me like a friend, what confuses me though  
It's kisses when we breeze, tell me what the deal yo

{Chorus} (2x)

Now why you wanna go and do that love huh  
Making things for me towards you harder  
Killing me, just when I think we there  
You doubts the whole vibe and it floats in the air  
Tellin' me, bout next man  
But next man ain't the nigga wit the plans  
Who, got your heart in mind  
It's about time that you just unwind

And let it just happen, make it front-free  
Just sweat me like money paney  
Diggin' you, gettin inside of your stee'  
It's the quest cat, keepin you company  
Forever or however you want it

Word word

Now wait a minute ma, before you dead into the curb  
Try to make impressions which is good, not the herb  
But it, it ain't me, and I, I ain't blurred  
I'ma still just chill wit you  
Maybe this'll change if you change your view  
If not, then I guess it is cool  
Just, keep to yourself and abide by the rules

Shake it out now (repeats)

{Chorus} (repeat til end)
