

# A Tribe Called Quest, Sucka N\*\*\*A

Hey sucka nigga, whoever you are  
Hey sucka nigga, whoever you are  
Hey sucka nigga, hey sucka nigga  
Whoever you are, whoever you are  
Aiiyo, turn it up Muhammad  
Turn everything up in the headphones  
So I don't lose my vocals  
Yeah that's good, turn my vocals a little bit  
With the upper bassline  
I be hatin' sucka MC's, and the sucka niggas  
Posing like they hard when we know they damn card  
What you figure, rhyme-wise, I do the figure eight  
So concisely, musically we are the herb so sit back  
And light me, inhale  
My style is kinda fat reminiscent of a whale  
Young girls desires for the females dreams  
I be the Abstract Poetic representin' from Queens  
Socially I'm not a name, black and white got game  
If you came to the jam, well I'm glad you came  
See, nigga first was used back in the Deep South  
Fallin' out between the dome of the white man's mouth  
It means that we will never grow, you know the word dummy  
Other niggas in the community think it's crummy  
But I don't, neither does the youth cause we  
Embrace adversity it goes right with the race  
And being that we use it as a term of endearment  
Niggas start to bug to the dome is where the fear went  
Now the little shorties say it all of the time  
And a whole bunch of niggas throw the word in they rhyme  
Yo I start to flinch, as I try not to say it  
But my lips is like the oowop as I start to spray it  
My lips is like a oowop as I start to spray it  
My lips is like a oowop as I start to spray the  
Sucka nigga, nigga nigga  
I throw the sucka in the front for the ones that front  
The sucka niggas, nigga nigga  
I throw the sucka in the front for the ones that front  
The sucka niggas, nigga nigga  
I throw the sucka in the front for the ones that front  
It's the neo-nigga of the nineties, c'mon  
I be hatin' sucka MC's, and the sucka niggas  
Posing like they hard when we know they damn card  
What you figure, rhyme-wise, I do the figure eight  
So concisely, musically we are the herb so sit back
