

A Walk To Remember, If You Believe

I close my eyes
And even when I'm sleeping, I'm alright
'Cause you are in my life
Once upon a time
I only imagined this
But now you're mine
Wished for you so hard
Pray that you'd find me
Maybe you're here today
Here to remind me
If you believe the dreams come true
There's one that's waiting here for you
'Cause I believed when I saw you
That when you want something enough
Then it can't escape your love
There is nothin' in the world that cannot be, if you believe
Everybody said
That I was a fool to think, that we connect
But I couldn't get my heart out of my head
But they just didn't see
No they just could not
The feeling that you get
The places that you go

If you believe in dreams come true
There's one that's waiting here for you
'Cause I believed when I saw you
That when you want something enough
Then it can't escape your love
There is nothin' in the world that cannot be, if you believe
Never wished for material things
Never need the wind on my wings
I never wished for anything but you
You you you you
I can't explain it
Something just told me
Go where your heart is
You'll never be lonely
If you believe in dreams come true
There's one that's waiting here for you
'Cause I believed when I saw you
That when you want something enough
Then it can't escape your love
There is nothin' in the world that cannot be, if you believe
Believe, believe, believe
