

# A1, Like A Rose

And as I look into your eyes  
I see an angel in disguise  
Sent from God above  
For me to love  
To hold and idolise

And as I hold your body near  
I see this month through to a year  
And then forever on  
'Til life is gone  
I'll keep your loving near

And now I've finally found my way  
To lead me down this lonely road  
All I have to do  
Is follow you  
To lighten off my load...

You treat me like a rose  
You give me room to grow  
You shone the light of love on me  
And gave me air so I can breathe  
You open doors that close  
In a world where anything goes  
You gave me strength so I stand tall  
Within this bed on earth  
Just like a rose

And when I feel like hope is gone  
You give me strength to carry on  
Each time I look at you  
There's something new  
To keep our loving strong

I hear you whisper in my ear  
All of the words I long to hear  
How you'll always be  
Here next to me  
To wipe away my tears

And now I've finally found my way  
To lead me down this lonely road  
All I have to do is follow you  
To lighten off my load

You treat me like a rose  
You give me room to grow  
You shone the light of love on me  
And gave me air so I can breathe  
You open doors that close  
In a world where anything goes  
You gave me strength so I stand tall  
Within this bed of earth  
Just like a rose

And though the seasons change  
Our love remains the same  
Just like a rose  
You face the thunder  
When the sunshine turns to rain  
Just like a rose

You treat me like a rose  
You give me room to grow

You shone the light of love on me  
And gave me air so I can breathe  
You open doors I close (ohuaaaaaaaaaa)  
In a world where anything goes  
You gave me strength so I stand tall  
Within this bed of earth  
Just like a rose

You give me strength so I stand tall  
Within this bed of earth  
Just like a rose
