

A1, Ready Or Not

(Could you love a boy
Like me tonight
Come on baby won't you take a bite
Could you love a boy like me tonight
Oh yeah!)

(Ben:)
There's magic within you
There's magic in everything you do
Magic me to the place where dreams come true

(Chris:)
Sometimes I go crazy
I get off on the crazy things we do
I'm jealous of every guy that looks at you

(All:)
So tell me
Could you love a boy like me like me
Tell me could you love a boy like me

Cuz I need you
You're my heart and soul
And I'm gonna let you know
(Mark:) I'll never let you go

(All:)
Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
Cos I'll keep searching
I'll keep searching for love

(Could you love a boy like me
tonight,
Come on baby won't you take a bite)

(Paul:)
The game that you're playing (the game that you're playing)
Why do you tease me like you do
You gotta let me down
Or see it through

(Mark:)
You're straight from a movie (straight from a movie)
But baby I'm not from Hollywood
By stealing your heart I'll be your Robin Hood

(All:)
So tell me
Could you love a boy like me like me
Tell me could you love a boy like me

Because I need you
You're my heart and soul
And I'm gonna let you know
(Mark:) Ain't gonna let you go

(All:)
Ready or not, here I come,
You can't hide from me, hide and seek.
Run away now, or stay now.
Cos I'll keep searching
I'll keep searching, baby

Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
Cos I'll keep searching
I'll keep searching for love-- baby
You can't hide, the love inside
Love-- baby
You can't hide, the love inside...

(Mark:)
Could you love a boy like me like me
Tell me could you love a boy like me like me.

Cos I need you
You're my heart and soul
And I'm gonna let you know
(Paul:) I'll never let you go

Ready or not, here I come
You can't hide from me, hide and seek
Run away now, or stay now
Cos I'll keep searching
I'll keep searching for love
Ready or not here I come
You can't hide from me, hide and seek
Run away now, or stay now
Cos I'll keep searching
I'll keep searching for love

(Could you love a boy
Like me tonight,
Come on baby won't you take a bite
Could you love a boy like me tonight
Oh yeah!)
