

# A1, Take Back Yesterday

To day is just another day  
But it's lost without you here with me  
Time has become my enemy  
That's the price I have to pay  
For find'ing with my seedling  
I know there's no unpalegy

But I'm here for you  
I still came for you  
I saved to you  
I never ment to hurt you

How can I ever really make it up to you  
Please don't tell me it's to late  
I wish I could say I'm sorry and make it all go away  
How can I let you know how I feel for you  
Without mess'en up all the words  
It's to late to say I'm sorry, would you take back yesterday

It's never easy to explain  
How you feel when you're confronted with  
Things you never really did  
I hope your joy and happy means  
And you're memories of who you were  
we could not be happier

Cause I'm here for you  
I still came for you  
I saved to you  
I never ment to hurt you

How can I ever really make it up to you  
Please don't tell me it's to late  
I wish I could say I'm sorry and make it all go away  
How can I let you know how I feel for you  
Without mess'en up all the words  
It's to late to say I'm sorry, would you take back yesterday

The times we had brought happiness into my life  
for her I cause you all this cuts me with a knife

Ooooooh.....

How can I ever really make it up to you  
Please don't tell me it's to late  
I wish I could say I'm sorry and make it all go away  
How can I let you know how I feel for you  
Without mess'en up all the words  
It's to late to say I'm sorry, would you take back yesterday
