

A1, Too Bad Baby

can this be
is there something wrong with you and me?
guess we'll see,
i confess,
i don't know how we got into this mess,
might have guessed,
day by day
you're slowly running out of things to say
so i may,
ask you why, is it always me who has to try
to make things feel right

pre chorus:
you never told me what you feel inside
i thought you loved me now i realise
no matter how i try,
you never seem to be
satisfied
now your telling me its

chorus: (x2)
too bad baby that you're so good, to me
i like you, you love me
too bad baby you're so into me
i cant breathe
you, fall in love too easily

me and you
are slowly running out of things to do
nothing new, i dont know
why we dont agree
when i say yes you say no
don't be shy
please tell me why it is that we don't see
eye to eye
so confused, im feeling helpless and im feeling used
like yesterdays news girl

repeat pre chorus and chorus

break

it started from the day i met her
walk all over me i let her
friends who told me go and get her
they're telling me forget her
too bad baby think i'm going crazy
someone take me nothing's gonna save me

repeat chorus until fade
