

# A7S, Nirvana

You took me to a  
A state of mine  
Yeah, yeah  
A place i never thought i'd find  
Yeah, yeah

Believe me  
I would never die  
I am not givin' you up  
I am not givin' you up

I am gettting higher and higher  
The skies are fallin'  
Desire /2x  
The fire within  
Burn brighter and brighter  
Your hands on my skin  
And I

I never felt this way before  
My love  
You give me feelings  
Don't you ever stop  
I know addictions can be dangerous  
I I am not givin' you up  
I am not givin' you up

You're mu nirvana
