

# Aaliyah, Aaliyah - I Refuse

This is where I've got to draw the line  
Because I refuse to let you think you can play with my mind  
Always seems that you think that I'm blind  
'Cause there's always certain times when you're hard to find  
You're on the go, I'm on the go, we're on the go  
I can't catch you no more, I can't see you no more  
And it no longer can't be ignored  
'Cause at once upon a time it was you I adored  
You disappeared and left me here, out in the cold  
And the absence of you is hurting my soul  
Didn't know there was an end of the road  
It was so easy for you just to let it all go  
And I refuse, I refuse to have one more sleepless night  
I refuse, I refuse to let a tear fall from my eye  
I refuse, I refuse to continue to try  
I felt like I would die, if I could break down and cry  
And I refuse, I refuse to let you walk back through that door  
I refuse, I refuse to let you hurt me anymore  
And I refuse, I refuse to continue to ignore  
The fact that I fell to the floor, the day you walked out my door  
And I refuse, no way, I can't take it baby  
I refuse, no way, I can't take it baby  
And I refuse, no way  
But I refuse to take it anymore  
Remember when I told you I could feel the change  
You don't touch me the same, don't hold me the same  
No, I don't want you to take all the blame  
'Cause I know I had those moments when I caused the pain  
This back and forth, just like a war with you and me  
See we both disagree, have we ever agreed?  
This ain't nothing like I thought it would be  
Was it all just a dream? Was it ever in my reach?  
And I refuse, I refuse to have one more sleepless night  
I refuse, I refuse to let a tear fall from my eye  
And I refuse, I refuse to continue to try  
I felt like I would die, if I could break down and cry

And I refuse, I refuse to let you walk back through that door  
I refuse, I refuse to let you hurt me anymore  
And I refuse, I refuse to continue to ignore  
The fact that I fell to the floor, the day you walked out my door  
It was your way or it was no way  
And I couldn't live that way, no no no  
It was our call, then it was your call  
'Cause I gave you my all and all  
And I refuse, I refuse to have one more sleepless night  
I refuse, I refuse to let a tear fall from my eye  
And I refuse, I refuse to continue to try  
I felt like I would die, if I could break down and cry  
And I refuse, I refuse to let you walk back through that door  
I refuse, I refuse to let you hurt me anymore  
And I refuse, I refuse to continue to ignore  
The fact that I fell to the floor, the day you walked out my door  
No way, I can't take it baby  
No way, I can't take it baby  
No way  
But I refuse to take it anymore  
No way, I can't take it baby  
No way, I can't take it baby  
No way  
But I refuse to take it anymore  
I refuse  
I refuse  
And I refuse

And I refuse  
I refuse  
And I refuse  
Said I refuse to take it anymore  
Refuse  
Refuse
