Aaliyah, Aaliyah - I Refuse

This is where I've got to draw the line

Because I refuse to let you think you can play with my mind

Always seems that you think that I'm blind

'Cause there's always certain times when you're hard to find

You're on the go, I'm on the go, we're on the go

I can't catch you no more, I can't see you no more

And it no longer can't be ignored

'Cause at once upon a time it was you I adored

You disappeared and left me here, out in the cold

And the absence of you is hurting my soul

Didn't know there was an end of the road

It was so easy for you just to let it all go

And I refuse, I refuse to have one more sleepless night

I refuse, I refuse to let a tear fall from my eye

I refuse, I refuse to continue to try

I felt like I would die, if I could break down and cry

And I refuse, I refuse to let you walk back through that door

I refuse, I refuse to let you hurt me anymore

And I refuse, I refuse to continue to ignore

The fact that I fell to the floor, the day you walked out my door

And I refuse, no way, I can't take it baby

I refuse, no way, I can't take it baby

And I refuse, no way

But I refuse to take it anymore

Remember when I told you I could feel the change

You don't touch me the same, don't hold me the same

No, I don't want you to take all the blame

'Cause I know I had those moments when I caused the pain

This back and forth, just like a war with you and me

See we both disagree, have we ever agreed?

This ain't nothing like I thought it would be

Was it all just a dream? Was it ever in my reach?

And I refuse, I refuse to have one more sleepless night

I refuse, I refuse to let a tear fall from my eye

And I refuse, I refuse to continue to try

I felt like I would die, if I could break down and cry

And I refuse, I refuse to let you walk back through that door

I refuse, I refuse to let you hurt me anymore

And I refuse, I refuse to continue to ignore

The fact that I fell to the floor, the day you walked out my door

It was your way or it was no way

And I couldn't live that way, no no no

It was our call, then it was your call

'Cause I gave you my all and all

And I refuse, I refuse to have one more sleepless night

I refuse, I refuse to let a tear fall from my eye

And I refuse, I refuse to continue to try

I felt like I would die, if I could break down and cry

And I refuse, I refuse to let you walk back through that door

I refuse, I refuse to let you hurt me anymore

And I refuse, I refuse to continue to ignore

The fact that I fell to the floor, the day you walked out my door

No way, I can't take it baby

No way, I can't take it baby

No way

But I refuse to take it anymore

No way, I can't take it baby

No way, I can't take it baby

No way

But I refuse to take it anymore

I refuse

I refuse

And I refuse

And I refuse I refuse And I refuse Said I refuse to take it anymore Refuse Refuse
