AALIYAH

Miscellaneous

Are You Feeling Me?"(feat. Timbaland

[Aaliyah]

Hmm, yeah, yeah, hey

Oh, hmm yeah, oh yeah

I know in my heart

I know in my mind

We weren't meant to be

Are you feeling me yo?

I'm the girl in your life

I'm the one you call wife

And I need to know

Are you feeling me yo?

Is there anyone else?

That can do it the best

Give you things you need

Well it must be me

I've got very good dreams

And the fantasies

But I need to know

Are you feeling me yo?

[Aaliyah]

Boy, are you feeling me?

Cause I'm feeling you

Something in my heart

Tells me you're the one

Boy, are you feeling me?

Cause I'm feeling you

Something in my heart

Are you feeling me yo?

[Aaliyah]

I'm crazy for you

I'm falling for you

I've got feelings for you

Are you loving me, yo?

Tell me if it's our time

Do I blow your mind?

Cause I need to know

Put my life on the line

I'mma give you my heart

All the love that I own

But before I do that

Are you feeling me yo?

Anything for you

Cause I'm big on you

But I need to know

Are you loving me, yo?

[Aaliyah]

Boy, are you feeling me?

Cause I'm feeling you

Something in my heart

Tells me you're the one

Boy, are you feeling me?

Cause I'm feeling you

Something in my heart

Are you feeling me yo?

[Aaliyah (Timbaland)]

Hmm, yeah

(Are you feeling us yo?)
Hey, ooh
(Are you feeling us yo?)
Yeah, yeah, yeah
(Are you feeling us yo?)
Ooh, yeah
(Freaky, freaky switch)
Are you feeling me baby, baby, yeah
(Yo lemme talk to them for a minute)
Oh yeah

[Timbaland]
Who is the best?
Making these beats
Who can it be?
Are you feeling us yo?
Are you feeling us yo?
Are you feeling us yo?
Oh, oh

Who is the best?
Making these beats
Who can it be?
Are you feeling us yo?
Are you feeling us yo?
Are you feeling us yo?
Oh, oh

Who is the best?
Making these beats
Who can it be?
Are you feeling us yo?
Are you feeling us yo?
Are you feeling us yo?
Oh, oh

Who is the best?
Making these beats
Who can it be?
Are you feeling us yo?
Are you feeling us yo?
Are you feeling us yo?
Oh, oh

[Timbaland]
You never saw it coming
