

Aaliyah, Are You Ready

(Oh Baby) X2

Chorus:

Represent for the ladies hangin' outside takin' it light
You know I'm comin' back
Tell me if you're ready
Break it down for the fellas movin' in smooth keepin' it tight
You know I'm comin' back
Tell me if you're ready

Verse:

Hey You
I heard you wanted to party (party) party
Well I feel the same
So I went to show ya
What the music does to me, oh baby

Bridge:

It's in the rhythm and it's giving me emotion (giving me baby)
Hotter than fire and stronger than any potion (oh yeah yeah)
There's no way around this groove
And I have come back to thank you

Chorus

Verse:

Tonight is right
We're havin' a good time (good time) good time
Just lay back and relax
It's time and ya know it
Because I'm comin' straight to you ya know

Bridge 2:

It's in the rhythm and it's giving me emotion (giving me baby)
Hotter than fire and stronger than any potion (oh yeah)
Music going makes me smile
Oh ohhhhhh huuuuu...

Chorus x2

It's been a long time since we've partied all night
Like tonight
Are you ready (are you ready)
I am ready
It's been a long time since we've partied all night
Like tonight
Are you ready (are you ready)
I am ready

Chorus X2
