Aaliyah, Come Back In One Piece (Uncensured)

There we go, okay, okay Don't do me Greasy, okay

Uh, ay yo

You know what a dog needs

Do you really know what a dog needs?

Uh a dog needs a bitch!

What? What? A dog needs a bitch!!!

Come on uh

Not just any bitch but a real bitch

That's gonna hold that dog down

Arf! Arf!

Baby I am what I am, I'm gon' be who I be

Everything from chasing a cat to pissin' on a tree

Let me see what I gotta to see

Do what I gotta to do

Dog for life but keep it true

Every once in a while I'll break out the backyard to roam

And get reckless

But I still know that home is home

And when I get there I'ma sit there

Take a shit there

Put my dick there

Do I handle my business?

Shit yeah

I'ma run till I bust my gun and empty the clip

Never come home, I gotta go just gimme the whip

I ain't got time for the lip

Just open the fence

Let me go I'll come back

I ain't got time to convince

Ever since I was a pup

I've been stuck with the street shit

Keep the heat shit

Fuck it nigga gotta eat shit

I past on a weak shit

If it's out there I want it

All at one time

So when it's my time, I've done it

[Aaliyah]

I know you'd kill for me

You'd die for me

I know you like to rip and run the streets

But I get nervous sometimes

Baby, I can't help to think

You might not make it home to eat

I barely sleep

Could you pick up the phone and call me at home?

And let me know you ain't in some heat

And don't go crying, you're grown

You know I'm looking out for you

Cause you be looking out for me, me, me

Chorus:

(Yo you can go with your dogs)

If you make this promise to me

You'll make it back in one piece

(So you can go with your dogs)

If you make this promise to me

You'll make it back in one piece

(Boy, you go back and you ball)

But you make this promise to me

You make it back in one piece

(I know you up in it all)

If you make this promise to me

You make it back in one piece

And oh boy I know you got to do what you do, ooh-ooh You're making moves, I'm makin' moves yo we cool (What? What? What?) Lay on your paws I got your back if you fall, hey-hey Nothing's too big, nothing's too small just go ball, yeah Uh dog tags around my neck the streets are mine I might leave the heat behind Cause in the streets I'm fine That's why nigga sleep till nine Out by ten back by ten Sleep till nine do it again If you love something let it go If it comes back to you it yours If it doesn't fuck it you'll never know You got me I got you, uh Dog with a dog, ride till we die If it's on then it's on Repeat Chorus to End
