

Aaliyah Feat. Timbaland, Try Again

It's been a long time we shouldn't have left you
Without a dope beat to step to
Step to, step to, step to, step to, step to
Freaky, freaky

It's been a long time we shouldn't have left you
Without a dope beat to step to
Step to, step to, step to, step to, step to
Freaky-freaky, baby girl uh

What would you do to get to me?
What would you say to have your way?
Would you give up or try again?

If I hesitated to let you in
Now would you be yourself or play your role
Tell all the boys I keep you low

If I saw no would you turn away?
Or play me off r would you stay, oh, oh
And if at first you don't succeed

Then dust yourself off and try again
You can dust it off and try again, try again
'Cause if at first you don't succeed

You can dust it off and try again
Dust yourself off and try again, try again
(And again)

I'm in to you, you into me

But I can't let it go, so easily
Not till I see whether this could be
Could be eternally or just a week
Ay yo our chemistry is off the chain
It's perfect now but will it change?

This ain't a yes, this ain't a no
Just do your thing, we'll see how it go, oh, oh
And if at first you don't succeed

Then dust yourself off and try again
You can dust it off and try again, try again
'Cause if at first you don't succeed

You can dust it off and try again
Dust yourself off and try again, try again
(And again)

See you don't wanna throw it all away
I might be shy on the first date

What about the next date?

Huh? Huh? Huh? Huh?

I said you don't wanna throw it all away
I might be buggin' on the first date

What about the next date?

Huh? Huh? Huh? Huh?

And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again

'Cause if at first you don't succeed

You can dust it off and try again
Dust yourself off and try again, try again
(And again)

And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again

'Cause if at first you don't succeed

You can dust it off and try again
Dust yourself off and try again, try again
(And again)

If at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again
'Cause if at first you don't succeed

You can dust it off and try again
You can dust it off and try again, try again
(And again)
Check it, uh
It's been a long time we shouldn't have left you
Without a dope beat to step to
Step to, step to, step to, step to, step to
Freaky freaky
It's been a long time we shouldn't have left you
Without a dope beat to step to
Step to, step to, step to, step to, step to
Freaky-freaky
And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again
'Cause if at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again
(And again)
And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again
'Cause if at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again
(And again)
And if at first you don't succeed
Then dust yourself off and try again
You can dust it off and try again, try again
'Cause if at first you don't succeed
You can dust it off and try again
Dust yourself off and try again, try again
(And again)
