

# Aaliyah, Got To Give It Up [2002 Remix From The

Come on  
I used to go out to parties  
And stand around, ohho  
Cause I was too nervous, mmmm mm  
To really get down, come on, oh  
But my body, hehe  
Yearns to be free, ehhh  
I went off on the floor so, heh  
Somebody would choose me, hey yeah  
No more standing, oh no  
Upside the wall, ohhhhhyeah  
Now I got myself together, baby, aha  
And Im having a ball, baby  
Long as your groovin, ha  
Theres always a chance, hey  
Somebody watchin, uh  
Might wanna make romance, ehhyeah (go on girl)  
Move your body  
Ooooh, baby, and dance all night, uhuhhhhhh  
To the groovin  
Feel all right, ha, wooo  
Move your body  
Ooooh, and move your feet  
Cause the DJ's groovin  
Ohhh, and it sounds so sweet, oh, come on  
Then just party, aha  
On and on, hey hey  
Cause this party is jumpin, ohhh  
Till the break of dawn
