

# Aaliyah, I Gotcha' Back

I gotcha' back  
I gotcha' back  
The women always wonder how I keep a man  
They been tryin' for so long and still don't understand  
It's not the things I say, it's the way I say it  
That keeps them locked down, nowhere to go  
And on top of that, I'll let 'em know  
I'm down for whatever  
No matter how you act  
You never have to worry 'bout a thing  
I gotcha' back, I gotcha' back  
When no one else is there  
With me you can chill  
'Cuz it feels real good  
When you know somebody's gotcha' back  
I gotcha' back  
I am the type when I find a man I like  
It's on and poppin', ain't no stoppin', the things I do for you  
No complications, baby, keep it real  
Do unto me, as I do, and everything will be cool  
When you find yourself in times of trouble  
Remember that I'm by your side, I'm by your side  
Lean on me, when you're not strong, I'll be your friend  
I'll help you carry on  
I'm down for whatever  
No matter how you act  
You never have to worry 'bout a thing  
I gotcha' back  
When no one else is there  
With me you can chill  
Because it feels real good  
When you know somebody's gotcha' back  
I gotcha' back  
I'm down for whatever  
No matter how you act  
You never have to worry 'bout a thing  
I gotcha' back  
When no one else is there  
With me you can chill  
'Cuz it feels real good  
When you know somebody's gotcha' back  
I gotcha' back
