

Aaliyah, Loose Rap

AALIYAH

I'm sick and tired of the loose rap
Mmmm, hmmm, mmmm (2x)

STATIC

uh, Now now, yeah. For the 01...
I know you can come better
Can come better than that
So you can kill all your loose rap
hahaha. . . babygirl

AALIYAH

How many times I tell you don't come to me?
You bringing all of that jealousy
Cause you got envy (Dont hate me baby)
Talk smack behind my back
Then when you see me
You try to come up and talk to me (Dont talk to me)
I'm not saying nothing, nothing

CHORUS

I know you can come better (hey.....)
Can come better than that (that)
Dont come here with all that loose rap (loose rap)
You can keep that (keep that)
I know you can come better
Can come better than that (hey....)
I'm sick and tired of the loose rap (loose rap)
You can save that (oh save that)

AALIYAH

To many times you guys'll come step to me
I guess you call yourself booking me
But do I look easy? (Well, it ain't easy)
Well, it never hurts to try
I just might let you call me (hey....)
I hope you don't plan on buggin' me
That would be ugly (I....)

CHORUS

I know you can come better
Can come better than that (than that)
Dont come here with all that loose rap (loose rap)
You can keep that (yeah, hey, yeah)
I know you can come better
Can come better than that (yeah....)
I'm sick and tired of the loose rap (ooh...)
You can save that, save that (yeah)

STATIC

I know you can come better
Can come better than that
So you can kill all the loose rap, now
You can quit that, quit that
I know you can come better
Can come better than that
So you can stop all your loose rap
Your loose rap (ehh....)

AALIYAH

To many times I hear you trying to knock at my crew
But we've got something for all the fools
It ain't just rhythm and blues (Mmmm mmm mmmm)
If you just quit trying to compete yeah
No telling what you could be

Might even be doper than me.....I DOUBT IT!

CHORUS

I know you can come better
Can come better than that (hey)
Dont come here with all that loose rap (ohh loose rap)
You can keep that (ohh save that)
I know you can come better
Can come better than that (ohhh....)
I'm sick and tired of the loose rap (mmmm hmmm)
You can save that (save that)

CHORUS

I know you can come better
Can come better than that (hey....)
Dont come here with all that loose rap
You can keep that (oh can keep that.....)
I know you can come better
Can come better than that (yeah...)
I'm sick and tired of the loose rap (oh.....)
You can save that

(repeat 1 more time till fade)
