

Aaliyah, missing you

Aaliyah

Miss You

missing you

it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you

off to college yes you went away straight from highschool you up and left me we were close friends

cause' it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you

now I'm still here thinkin bout you and the days we used to share it's driving me crazy I don't know

cause' it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you

it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you

I can't live no more since you went away I don't really feel like talking don't wanna hear the marking

it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you

it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you

it's been too long and I'm lost without you what am I gonna do? said I been needin you wantin you
