

Aaliyah, More Than A Women

Passion, instant
Sweat me, feel me
Cupid's shot me
My heartbeat's racing
Tempt me, drive me
Feels so exiting
Thought of highly
It's yours entirely
I'll be, I'll be more than a lover
More than a woman
More than your lover
I'll be, I'll be more than another
More than a woman
More than another
I'll be, I, I'll be more than your lover
More than a woman
More than your lover
I'll be more, I'll be more than a lover
More than a woman
More than another
Midnight grindin'
My heart rate's climbin'
You go, I go
'Cause we share pillows
Taste me, feed me
There's still no separating
Morning massages
With new bones in your closet
I'll be, I'll be more than a lover
More than a woman
More than your lover
I said, I'll be, I'll be, I'll be more than another
More than a woman
More than another
I'll be more, I'll be more than your lover
More than a woman
More than your lover
I'm gonna be, I'll be more than a lover
More than a woman
More than another
I don't think your ready
I don't think your ready for this thing
For this thing
I don't think your ready for this thing
You're not ready
I don't think your ready for this thing
This thing
This thing
I don't think your ready for this thing
Constant pressures
No scale can measure
Secret treasures
Keeps on getting better
Do you wanna roll with me?
We can go to foreign lands, your hand in my hand
Do you wanna ride with me?
We can be like Bonnie and Clyde, be by your side
I'll be more than a lover
More than a woman
More than your lover
I'll be more than another
More than a woman
More than another
I, I'll be more than your lover

More than a woman
More than your lover
I'll be more than a lover
More than a woman
More than another for you
