

Aardvark, I Can't Stop

No No No

No No No No

No No No

No No I can't stop

I can't stop I can't stop I can't stop

I can't I can't stop I gotta get away

I gotta move fast like gotta move fast committed by a self to a perfectly true
no time to pack just a cloth on my back I gotta get away

(keyboard solo)

No No No

No No No No

No No No

No No I can't stop

I can't stop I can't stop I can't stop

I can't I can't stop I gotta get away

listen what a run is a true says a gun especial where a guy like me

when I came to a shell I needly or well I gotta get away

I gotta get away from you
