The Picatrix of Dee, which thou didst give to me, made me grow tentacles and helped me conquer

The Black Keyes of R'lyeh and Cthulhu arise, bring about your glory and our imminent demise,

The Black Keyes of R'lyeh and Cthulhu arise, bring about your glory and our imminent demise,
The Black Keyes of yore rising from the sea, give me true power as promised by Johnny Dee!

The Black Keyes of R'lyeh and Cthulhu arise!

'Alterius non sit qui suus esse potest'.
