

# Aarni, Myrrys

ni tuulen, varjot puiden  
Yksinni uneksin, haltioissa ylenin  
inen rauha, pilvien like  
Lensin yli metsien, keralla pilvien

Sammasta kiipesin kannelle taivaan

Salot siniset, kammiot kultaiset  
Juoksimme taivaan niityill lpi thtitarhain  
Ikimenneiden ilmoilta, kadonneiden kartanoilta  
Varman viisauden tapasin, elon kullan lysin

Sammasta laskeuduin kannelta taivaan.

&lt;/lyrics&gt;

The voice of the wind, the shadows of trees  
Alone I dreamt, in spirit-powers grew;  
Nocturnal calm, the movement of clouds  
Amongst them I over the forests flew.

I ascended the World Tree to the Dome of the heavens

Blue-hued islands, golden chambers  
In the meadows of heaven we ran through the stars;  
From the lands of the deceased and tracts of the lost  
True wisdom I found, Life's Gold I discovered.

I descended the World Tree from the Dome of the heavens.
