For You

There was a time,  
That you believed me.  
But then I made the mistake,  
Why can't you just see

That I never meant to hurt you,  
Never meant to make you sigh.  
Why can't you just forgive me,  
Why do you wanna make me cry?  
Can't you see I love you,  
Worship you, care for you?  
So please for give me

Even though I lied,  
Can't you see the truth?  
I only did it to impress you,  
Wanted to make you notice me.  
So please try to see this through

Cause when you dumped me,  
I was feelin like a cloud across the sun.  
So try to see that

I would do anything for you.

That I never meant to hurt you,  
Never meant to make you sigh.  
Why can't you just forgive me,  
Why do you wanna make me cry?

Can't you see I love you,  
Worship you, care for you?  
So please for give me

I am so sorry that I hurt you.  
There is no more for me to say.  
I am so sorry that I hurt you.  
There is no more for me to say.  
Cause if I had another chance,  
Please listen to me today

Please forgive me.  
You are my everything.  
I would die without a friend like you.  
To make you happy, I would even sing

I don't know what I would do  
Without you.

That I never meant to hurt you,  
Never meant to make you sigh.  
Why can't you just forgive me,  
Why do you wanna make me cry?

Can't you see I love you,  
Worship you, care for you?  
So please for give me□

So

I am so sorry that I hurt you.  
There is no more for me to say.  
Cause if I had another chance,  
Please listen to me today

Please forgive me.  
You are my everything.  
I would die without a friend like you.  
To make you happy, I would even sing

Because

I don't know what I would do  
Without you.

I am sorry  
I am sorry  
I am sorry
