

Aaron Carter, Crush On You

You found out
You found out I've got a crush on you
You must have heard it from my best friend
She's always talkin' when she should be listening
Can't keep a secret to save her life
But still I trusted her with all I felt inside
I never knew a rumour could spread so fast
But now the word is out all over town
That I'm longing for you
How did you know cause I never told
You found out I've got a crush on you
No more charades my heart's been displayed
You found out I've got a crush on you
Maybe I was the one who left a trace
Was there a message written on my face
Were my emotions so easily read
That you would know my thoughts before a word was said
Was it my eyes that let you know you had control
Because the way you move was so self-assured
You knew I would surrender
How did you know cause I never told
You found out I've got a crush on you
No more charades my heart's been displayed
You found out I've got a crush on you
You found out I've got a crush on you.
