## Aaron Carter F/ Nick Carter and No Secrets, Oh A

Well I guess the best way

For me to begin is

The other day I was hanging

With some friends

Going around the room talking

About our favorite noise

I said I had a brother

In the Backstreet Boys

So everyone screamed

"Hey is this some kinda trick"

Yeah, which one is he?

The blond one, Nick

Then the cutest girl said

"I have to see their show

But I have no ticket, Aaron

How can I go?&guot;

Your wish is my command

See it's no problem, hon

In fact I'll get some tickets

Here for everyone

All I gotta do is just pick up my celly

And it's a done deal

Let me call Nick and tell him

By the way Aaron

If you could, while you're at it

Can you hook up some seats

For my friends and my parents?

So I said to myself

" Well heck, why not? "

There's nothing that can

Beat the connection I got

Aaron, oh Aaron

What are you going to do?

You make empty promises

Oh so big

Man

How gonna make

Them come true?

I don't know

Aaron, oh Aaron

What are we going

To do with you?

Always a makin'

A bigger mistake

Yo, I gotta make a phone call

Always a-makin'

A fool

Hello?

**Hey Nick** 

I need a favor from you, dude

I promised people tickets

So you gotta come through

Sure, bro

How many do you need?

1, 2, uh, 3003

What?

I can get you maybe a dozen

You can't promise seats to

Everyone and their cousin

What did you do?

How'd you get in this mess?

I was talking to this girl

Hold your breath

I know the rest

Guess you better get yourself

A whole lotta money

For 3000 tickets?

Nick, that's isn't funny

How'm I supposed to pull

That off in so little time?

You got me, Aaron

That's your problem

Not mine

Aaron, oh Aaron

What do I do?

What are you going to do?

You make empty promises

Oh so big

What?

How gonna make

Them come true?

Aaron, oh Aaron

What?

What are we going

To do with you?

I don't know

Always a makin'

A bigger mistake

So, it was just one mistake

Always a-makin'

A fool

Whatever

How in the world could

He do that to me?

I thought we were blood

I thought we were family

We'll get into the show

We'll get good seats

Everyone on the bus

You're all coming with me

I'm tellin' you guys

When we get to the gate

He can never say " No"

When he looks at my face

Hook me up

Nick, man, I swear

I'll pay you back

Well come to think about

We need an opening act

What do you want me to do

Tell jokes, dance, act?

Nah, I want you on stage

I want you to rap

'Cause if you don't

You're gonna have

Some disappointed friends

And by the way

You're on at eight

That's when the show begins

Aaron, oh Aaron

Come on

What are you going to do?

Man

You make big promises

Oh so big

What?

How you gonna make

It come true?

One promise man

Aaron, oh Aaron What are we going To do with you? Whatever I'm desperate Always a-makin' A bigger mistake Will you be quiet? I'm desperate, man Always a-makin' A fool Aaron, oh Aaron Will you be quite? Will you shut up? What are you going to do? You're making up promises Oh so big How can you make it Come true? Aaron, oh Aaron Now opening up For the Backstreet Boys (What are we going) Give it up for **Aaron Carter** (To do with you) Always a-makin' A bigger mistake How can you make it Come true Whatever Aaron, oh Aaron What are we going To do with you?
