The name is AC  
And I'm here  
To make it hot  
I step in a room  
You could hear a pin drop  
And I know (you know)  
I rocked a lot dude  
Ryhmin' so high  
I could fly ya to the moon  
Don't try to take me out  
I'm the one who beat Shaq  
I said come and get it  
I told where it's at  
9 o'clock on the dot  
I partied down the block  
I get my crew together  
And I make a pit stop  
Grab Kara, then Sara  
\_ and Tara  
I got Jenny  
Then Jessie  
And we're all chillin'

Jump on the fizzy  
Ain't nothing gonna  
Break my stride  
\_ gonna hold me down  
Well, we're gonna  
Keep it movin'  
Ain't nothing  
But a good time  
Yeah, we're gonna  
Shout it loud  
Well, we're gonna  
Keep it movin'
