

Aaron, I Miss You

[Chorus:]

I miss you

I'm talking to you baby

I miss you

[x2]

We used to talk,

And laugh all night girl

What happened to those days?

Did they all just fade away

Holding you in my arms

Made me feel so happy

Then you said you had to go

What's wrong, baby, I need to know

But now it's a dream

(Now it's a dream)

That I wish you could come

Back and make come true

(Come back to make come true)

But you're long gone away

(Come on back baby)

But now I'm missing you

(I miss you, yes I do,

from the bottom of my heart)

[Chorus:]

I miss you (oh yes I do)

I'm talking to you, baby

(hear me when I say)

I miss you (I miss you yes I do, yes I do)

I miss you (oh)

I'm talking to you, baby

(I'm talking to you)

I miss you (only to you, baby)

I thought you'd be with me forever

But I guess someone took my place

Took the place of me loving you,

and making love to you all through the night

I wish you were still here,

So I can see your pretty face again

Please come back and rescue me

From all this pain and misery

But now it's a dream

(now is a dream)

And I wish you

Could come back to make us true

(come back to make us true)

But you're long gone away

(but you're long gone away, baby)

But now I'm missing you

(I miss you, oh, yes I do, baby)

[Chorus]

[Bridge:]

(Missing you) missing you

(The way you used to hold me)

Missing you

(Heyy, hey)

Please understand how much

I really miss you

I'll do anything in this world

to have you back again

Missing you

(I miss you)

Missing you

(Hey, hey, hey I do)

I miss you through winter, spring,

The summer & the fall
When we were together (Oh, yea)
[Chorus x2]
[2nd Chorus:]
I miss you, I miss you.
From the bottom of my heart
To the depths of my soul, baby
I miss you, oh
Give me the love back baby
The way you used to hold me
The way you used to kiss me
I, I, I miss you
I miss you Yes, I do,
yes I do - I miss you,
yes I do, yes I do.
(Hey, hey)
I miss you, I really, really do,
I really, really do.
(Can I tell you, can I tell you how much I miss you baby)
I miss you, yes I do, yes I do
I miss you so bad
(I miss you)
Everytime I lay at night, all I do is cry
I do love you baby.
[3rd Chorus:]
I miss you (yes I do, yes I do)
I miss you (yea) yes I do, yes I do
I'm talking to you baby (call me,
call me baby, call me baby, come,
give your loving back to me)
(I miss you) yes, I do, yes I do
I miss you (yes, I do, yes I do)
I'm talking to you baby
(show me those pretty eyes)
I miss you (please, baby don't you cry)
I miss you (hold me all night long)
I miss you (squeeze me make me warm)
I miss you (oh, I miss you, your soft, sweet, soft, sweet, sexy body)
I miss you,
I miss you.
