Aaron Lewis, Bleed

I'm feeling crossed, I take it inside
Burn up the pain, my thoughts are strange
Just like the things I used to know
Just like the tree that fell, I heard it
If art is still inside I feel it

I wanna bleed, show the world all that I have inside
(I wanna show you all the pain...)
I wanna scream, let the blood flow that keeps me alive
(I wanna make you feel the same...)

Take all these strings, they call my veins
Wrap them around, every fucking thing
Presence of people not for me
Well I must remain in tune forever
My love is music, I will marry melody

I wanna bleed show the world all that I have inside
(I wanna show you all the pain...)
I wanna scream let the blood flow that keeps me alive
(I wanna make you feel the same...)
I said
I wanna bleed
I wanna feel
(Show you all the pain...)
I wanna scream
I wanna feel
(Make you feel the same...)

Won't you let me take you for a ride
You can stop the world, try to change my mind
Won't you let me show you how it feels
You can stop the world, but you won't change me
I need music
I need music
I need music
To set me free
To let me bleed
