Outside

Aaron Lewis feat. Fred Durst

Outside

All the times that I felt insecure, yeah

And I lift my burden out the door

I'm on the outside

I'm looking in

I can see through you

See your true colors

'Cause inside you're ugly

You're ugly like me

I can see through you

See to the real you

All this time that I felt like this won't end

Was for you

And I taste what I could never have

It's from you

All those times that I tried, my intention, full of pride

And I waste more time than anyone

But I'm on the outside

I'm looking in

I can see through you

See your true colors

'Cause inside you're ugly

You're ugly like me

I can see through you

See to the real you

All the times that I've cried

All this wasted, it's all inside

And I feel, all this pain, stuffed it down

It's back again

And I lie here in bed, all alone, I can't mend

And I feel tomorrow will be okay

But I know

That I'm on the outside

I'm looking in

I can see through you

See your true colors

'Cause inside you're ugly

You're ugly like me

I can see through you

See to the real you
