Outside

And you bring me to my knees again
All this time, that I can beg you please, yeah
All the times that I felt insecure, yeah
And I lift my burden out the door

I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

All this time that I felt like this won't end
Was for you
And I taste what I could never have
It's from you
All those times that I tried, my intention, full of pride
And I waste more time than anyone

But I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

All the times that I've cried
All this wasted, it's all inside
And I feel, all this pain, stuffed it down
It's back again
And I lie here in bed, all alone, I can't mend
And I feel tomorrow will be okay

But I know

That I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you
