

# Aaron Lines, Good Liar

(Brett James/Frank Rogers/Troy Verges)

It was a pretty good performance  
Yesterday out on the street  
Maybe they should give me an Emmy or an Oscar  
Cause you didn't suspect a thing  
We made small talk on the sidewalk  
I even laughed out loud  
And I didn't blink an eye when I told you that I'm happy now  
I'm a good liar  
I had you believing  
That I wasn't dying watching you leaving  
I'm good at pretending  
I stood there unflinching  
Baby with my heart on fire  
Hey I'm a good liar

Truth is I've had a lot of practice  
I've put on this show before  
Just like the day you told me we were history  
I was brilliant standing right outside your door  
I convinced you and me too  
It was gonna be all right  
That we'd both be better off that I would get on with my life

I'm a good liar  
I had you believing  
That I wasn't dying watching you leaving  
I'm good at pretending  
I stood there unflinching  
Baby with my heart on fire  
Hey I'm a good liar

It's time I came clean  
It's time I told the truth  
No matter what I say I'm still in love with you  
Baby I'm still in love with you

Yeah

I'm a good liar  
I had you believing  
That I wasn't dying watching you leaving  
I'm good at pretending  
I stood there unflinching  
Baby with my heart on fire  
Baby my heart's on fire  
Hey I'm a good liar
