

# Aaron, Little Love

Come on dance around  
shine upon the ground  
from me to you  
don't you know i'm strong  
I could win the world  
for you for you  
don't you ever cry  
I would stop breathin'  
for you for you  
don't worry life is easy  
don't worry life is easy  
did you ever fly  
let me teach you how  
I'll do I'll do  
drive upon the mountains  
dive into the moon  
I'll do I'll do  
don't worry life is easy  
don't worry life is easy  
be my unicorn  
I'll chase all the dragons  
for you for you  
I'll build you a castle silver gold  
it's your favorite color i've been told  
don't worry life is easy  
don't worry life is easy
