

# Aaron Neville, By Heart, By Soul

If you were a road I'd learn every turn till I  
Could find my way with my eyes closed  
If you were a song I'd sing along till I  
Knew every word and every note  
But you were everything to me  
A mystery  
You're the love I'd live to see  
By heart, by soul  
That's how I want to know you  
Keep you as close as breath is to life  
Wanna watch your love unfold  
By heart, by soul  
If you were a place I'd stay my whole life till I  
Had every corner memorized  
And if you were a star, I'd follow you home  
You would be the light that is my only guide  
You were everything to me  
My A to Z  
And we'll be forever and eternally  
By heart, by soul  
That's how I want to know you  
Keep you as close as breath is to life  
Wanna watch your love unfold  
By heart, by soul  
I wanna know you inside and out  
Better than I even know myself  
By heart, by soul  
That's how I want to know you  
Keep you as close as breath is to life  
Wanna watch your love unfold  
By heart  
By heart, by soul  
That's how I want to know you  
Keep you as close as breath is to life  
Wanna watch your love unfold  
By heart, by soul  
If you were a star  
I'd follow you home  
By heart, by soul  
Oh yeah
