

Aaron Neville, Christmas Everyday

Messiah, help us to know You
Not only on Sunday
But through and through
On Your birthday we celebrate
When You came to us
But sometimes we forget
What You gave up for love
God gave up His begotten son
Because He loves us all
So sisters and brothers
Just love one another
And then everyday
(Everyday)
Everyday
(Everyday)
Feel like Christmas in your heart
And then everyday
(Everyday)
Everyday
(Everyday)
Keep the Christmas spirit in your heart
Messiah, show us how to cleanse our sins
[Incomprehensible]
All our hatred and the wars we've raised
Why can't we just trust
Sometimes we still ignore the life together lasts
Mary had the holy child
To save all mankind
So sisters and brothers
Just love one another
And then everyday
(Everyday)
Everyday
(Everyday)
Feel like Christmas in your heart
And then everyday
(Everyday)
Everyday
(Everyday)
Keep the Christmas spirit it in your heart
Mary had the holy child
To save all mankind
So sisters and brothers
Just love one another
And then everyday
(Everyday)
Everyday
(Everyday)
Feel like Christmas in your heart
And then everyday
(Everyday)
Everyday
(Everyday)
Keep the Christmas spirit in your heart
In your heart, in your heat, in your heart
