

# Aaron Neville, Close Your Eyes

(Chuck Willis)

Close your eyes (close your eyes)

Take a deep breath (aaahhh)

Open your heart (open your heart), and whisper (I love you, I love you)

Tell me you love me (you love me), tell me you love me (you love me)

You love me (you love me)

You love me

Hold me tight (hold me tight)

Don't say goodnight (don't say goodnight)

We have time (lots of time)

Everything's alright (things' gonna be alright)

Hold me darling (never let me go)

Darling and tell me (and tell me)

You love me (you love me, you love me)

No, no, no (no, no, no), even though (even though)

This is not the way I want it to be

But if you (but if you), got to pretend (must pretend)

That's alright with me

Close your eyes (close your eyes)

Take a deep breath (aaahhh)

Open your heart (open your heart)

And whisper (I love you, I love you)

Tell me you love me (you love me), tell me you love me ( you love me)

You love me ( you love me , you love me)

Close your eyes (close your eyes)

Don't say goodnight (don't say goodnight)

We have time (lots of time)

Everything gonna be alright (things' gonna be alright)

Hold me darling (never let me go)

Darling and tell me (please tell me)

You love me

I love you Darling with all my heart and soul
