

# Aaron Neville, Don't Fall Apart On Me Tonight

Just a minute 'fore you leave girl  
Just a minute 'fore you touch the door  
What is it that you're trying to achieve girl  
Do you think we can talk about it some more  
You know the streets are filled with vipers  
Who've lost all ray of hope  
You know it ain't even safe no more  
In the palace of the Pope  
Don't fall apart on me tonight  
I just don't think that I could handle it  
Don't fall apart on me tonight  
Yesterday is just a memory  
Tomorrow's never what it's suppose to be  
And I need you  
Come over here from over there girl  
Sit down here you can have my chair  
I can't see you going anywhere girl  
The only place open is a thousand miles away  
And I can't take you there  
Oh, I wish I'd a been a Doctor  
Maybe I'd a saved some lives that been lost  
Maybe I'd a done some good in this world  
Instead of burning every bridge I crossed  
Don't fall apart on me tonight  
I just don't think that I could handle it  
Don't fall apart on me tonight  
Yesterday is just a memory  
Tomorrow's never what it's suppose to be  
And I need you  
Oh, I wish I'd a been a Doctor  
Maybe I'd a saved some lives that been lost  
Maybe I'd a done some good in this world  
Instead of burning every bridge I crossed  
Don't fall apart on me tonight  
I just don't think that I could handle it  
Don't fall apart on me tonight  
Yesterday is just a memory  
Tomorrow's never what it's suppose to be  
And I need you  
Oh, I wish I'd a been a Doctor  
Maybe I'd a saved some lives that been lost  
Maybe I'd a done some good in this world  
Instead of burning every bridge I crossed  
Don't fall apart on me tonight  
I just don't think that I could handle it  
Don't fall apart on me tonight  
Yesterday is just a memory  
Tomorrow's never what it's suppose to be  
And I need you  
Don't fall apart on me tonight  
Don't fall apart on me tonight
