

Aaron Neville, Hercules

All you fear, is fear its self
Check our your own back yard before you check out someone else

Railroad track, in my neighbourhood
Aint no trains around that part just aint no good

Wanna know, whats going down,
When the pimp on the corner looks like the sharpest cat in town

Jungle rule, cant be no fool
Might get caught by the hook of a crook no time for cool

Look out jay, what you say, what you carrying brother
I hope youre clean cause the man is mean, dont come another further

We all know the answer, will come out in time
I might even carry some of your load, right along with mine

Thank you maam, mister please
Cause I must be Hercules
I must be Hercules

Like a bird, on the wing
I just wanna be free enough to do my thing

I can feel the pressure, from every side
If you not gonna help, dont hurt, just pass me by

Oh, no

Hercules
I must be Hercules

Jungle rule, cant be no fool
Devil is on the loose, no coo
Got your feet, in the sand
Got to be down with the cats that around and still got the face the man

Talk about me if you please but I must be Hercules
Hercules
I must be Hercules

Duckin rocks, catchin stones
Movin how can I survive whats going on
Beg, steal and borrow
Somehow Ive got to make it to tomorrow

Cant depend, on no-one else
Comin up the hard way Ive got to save myself

Must be Hercules
I must be Hercules
Talk about me if you please
I must be hercules
